Lock-up from 1st January 1957 to 31st December 1957 (both days inclusive), the details of articles required and the conditions, etc., can be had at the office of the undersigned during office hours.

T. R. V. ARADHYA,
221 *Lock-up Officer.*

OFFICE OF THE ADDITIONAL DISTRICT MAGISTRATE, KOLAR DISTRICT, KOLAR.

Abstract Tender Notification No. J.S.C. 396—55-56, dated 19th November 1956.

1. It is hereby notified for the information of the public that sealed tenders in quadruplicate copies, will be received by the officer in charge of the Lock-up at Chikballapur up to 3 P.M. on Monday the 24th December 1956, for the supply of articles of diet, etc., (as per list which can be obtained from the Lock-up Officer, Chikballapur, during working hours on all working days) required for the use of the prisoners confined in the Lock-up at Chikballapur, during the Calendar Year 1957 commencing from the first day of January 1957 to the 31st day of December 1957.

2. No tender will be received after the aforesaid hour and date.

3. Tenders shall be superscribed as "tenders for the supply of articles of diet, etc., to the Lock-up at Chikballapur, during the Calendar Year 1957".

4. A Treasury Receipt for having deposited not less than 5 per cent of the tender value in any of the Government Treasuries of the State under Revenue Deposits shall be enclosed to the tender without which the tender will be rejected. Earnest money or security deposit furnished in respect of any other tender or held for the due fulfilment of any other contract shall not be considered as earnest money in respect of this tender.

5. In no case cash will be accepted as earnest money.

6. The tenders will be opened at 5 P.M. on the same day (Monday 24th December 1956) in the presence of such of the tenderers as choose to be present by the Lock-up Officer, Chikballapur.

7. The tenderers must specify the rate quoted by them for the supply of each article in figures as well as in words against each of the items. Rates quoted shall be for the supply of the best variety.

8. The tenders will be subject to confirmation by the Additional District Magistrate, Kolar District, Kolar.

9. The authority concerned is not bound to accept the lowest or any other tender or to assign reasons for accepting any particular tender.

10. Whenever a tenderer withdraws his tender after presenting the same or fails to furnish the required security deposit to the tune of 10 per cent of the tender value and execute the agreement after communication of acceptance of his tender, the earnest money deposited by him shall be forfeited to Government.

11. In case of necessity the approved contractor shall supply at the accepted tender rates all the required articles for two months or for any shorter period after the expiry of the term of his contract.

12. The security deposit will be refunded to the approved contractor after the final expiry of his contract.

13. Contract should not be sublet under any circumstances.

14. No advance will be made to the contractor.

15. A sales-tax clearance certificate obtained from the Area Sales-Tax Officer may also be furnished along with the tender. No concession of any kind will be allowed when once the contract is accepted. Any additional information may be obtained from the officer incharge of the Lock-up at Chikballapur.

V. BYRAPPA,
231 *Addl. Dist. Magist.*

MYSORE DISTRICT.

Sale notification dated 27th October—6th November 1956.

No. HPR. 510—55-56. It is hereby notified for the information of the public that Gold and Silver articles of Sri Srikanteswaraswamy Temple, Nanjangud Town, will be sold by the Deputy Commissioner, Mysore District or by an Assistant Commissioner under his orders in public auction in the District Office Mysore, on Monday, the 17th December 1956 at 2 P.M.

	Rs. as. p.
Gold tolas 133—5—0	
Silver ,, 18,230 tolas	

1 Intending purchasers may offer their bids in the sale. The successful bidder will have to pay the entire bid amount at the close of the sale, failing which a resale will be held at the risk of the original bidder immediately. Such bidder will not be entitled to any higher money of bid if received.

2 The sale is subject to confirmation by the Muzrai Commissioner in Mysore, Bangalore.

3 The articles will be given delivery after the sale is confirmed.

4 The articles will be sold in small groups at the desire of the sale conducting officer if necessary at the sale hour.

D. R. CHENNARUDRAIYA,
108 *Dy. Commissioner.*

OFFICE OF THE RESEARCH OFFICER, ANIMAL HUSBANDRY, AJJAMPUR.

Auction Sale Notification.

It is hereby notified for the information of the public that 30 Hallikar Cows and 38 Hallikar bullcalves belonging to the Combined Sheep and Cattle Farm, Kurikuppi will be sold by public auction at the Veterinary Hospital, Hospet, on every Saturday commencing from Saturday the 1st December 1956 to the Saturday 22nd December 1956 (both days inclusive) at 1-30 P.M. and at the Farm premises on 25th December 1956 at 2. P.M. respectively, by the Manager, Combined Sheep and Cattle Farm, Kurikuppi or any other Officer deputed for the purpose.

The animals will be available for inspection at the Farm three days prior to the date of auction.

1. The intending bidders should deposit a sum of Rs. 50 before the commencement of the auction to entitle them to bid in the auction. The acceptance or otherwise of the deposit being left to the discretion of the Auctioning Officer. The deposit of unsuccessful bidders will be refunded at the close of the auction.

2. The discretion of accepting or rejecting the final bid in respect of each animal at the auction sale is left to the Sale Conducting Authority.

3. At the conclusion of the sale of each animal at the auction provided the final bid is accepted by the Sale Conducting Officer the successful bidder is required to pay the full amount with Sales-tax soon after the close of the auction, failing which the animal will be resold at the risk and responsibility of the original purchaser. If the amount is realised by such a resale should result in loss to Government, such loss will be recovered from the original purchaser as per rules applicable for recovery of arrears of Land Revenue. If the resale should fetch a higher amount than the original sale, the original purchaser shall have no claims over the excess amount, if any, realised. In the event of the animal requiring to be put to resale has to be retained by the Department till it is resold, it shall be done at the risk and responsibility of the original defaulting highest bidder.

4. When once a bid is offered no complaints can be entertained regarding bid nor the bidder can deny or reject the animal for which the bid is offered and as soon as the sale of the animal is closed the highest bidder shall attest his signature after entering the details of sale in sale records. When the highest bidder has attested the sale record, it shall be deemed that he has agreed to be bound by all the conditions of the sale.

5. The Officer conducting the auction sale has got the right to cancell the auction at any stage without assigning reasons therefor.

6. The Officer conducting the auction sale reserves the right of exercising his decision in any matter that may arise in connection with the auction and it is final.

7. Necessary arrangements will have to be made by the purchasers themselves for taking the animals purchased.

B. CHANDRASHAKER,
80 *Research Officer.*

OFFICE OF THE SUB-DIVISION OFFICER AND *EX-OFFICIO* PROJECT EXECUTIVE OFFICER, N.E.S. BLOCK, HUNSUR.

Notification dated 21st November 1956.

Last date : 7th December 1956. Earnest money : Rs. 250.

Tender Notification for the construction of quarters for the Village Level Workers at the Circle Headquarters.

No. N.E.S. P1. P.R. 36—56-57. It is hereby notified for the information of the public that sealed tenders from the intending contractors will be received at the office of the *Ex-officio* Project Executive Officer, N.E.S. Block, Hunsur, up to 3 P.M. on 7th December 1956 for the construction of quarters for the Village Level Workers in the undermentioned Villages :—

1. Gavadagere.
2. Chilkunda.
3. Tattekere.

1 An earnest money of Rs. 250(Rupees two hundred and fifty only) has to be credited to the Taluk Treasury under Revenue Deposits and the relative chellan attached to the tender.

2 Rates should be noted both in figures and words, failing which the tender will be rejected. For all non-tendered items of works, approved schedule rates of this district will be paid and for non-tendered and non-scheduled items of works, rates approved on the basis of the data will be paid.

3 A monthly progress of not less than Rs. 1,500 will have to be given and the work will have to be completed in all respects to the full satisfaction of the departmental officers and handed over to the *Ex-officio* Project Executive Officer by the end of March 1957.

4 Acceptance of tenders rests with the *Ex-officio* Project Executive Officer, N.E.S. Block, Hunsur, who does not bind himself to accept or reject the lowest tender or any other tender or all tenders or to assign any reasons whatsoever thereof.

5. The tenders should be superscribed as "Tender for the construction of quarters for the Village Level Workers of circle" (Mention the name of circle).

6 The earnest money of the unsuccessful tenderers will be refunded on their application for the same after the acceptance of the tender by the *ex-officio* Project Executive Officer or within one month from the date of acceptance of the tender.

7 The tenders should be submitted in a sealed cover addressed to the *ex-officio* Project Executive Officer, N.E.S. Block, Hunsur, and delivered to the Block Development Officer or *ex-officio* Project Executive Officer either in person or by Registered Post.

8 In the event of the approved tenderer failing to complete the work within the prescribed time, the contract will be liable to be cancelled and the earnest money will be forfeited.

9 Plans and estimates of the work will be available in the N.E.S. Office, Hunsur, for information on all working days between 11 A.M. and 5 P.M.

10 The name of the successful tenderer will be intimated immediately after the acceptance of the tender by the *ex-officio* Project Executive Officer.

11 Tenders without Treasury Chellans for having credited the earnest money will be rejected.

12 Tenders received after the due date will be rejected.

13 No conditional clauses will be accepted.

14 The decision of the *ex-officio* Project Executive Officer shall be final regarding the disposal of the tender.

15 Violation of any of the above conditions will entail forfeiture of earnest money as well as the work turned out by the contractor at any time.

L. KARIYAPPA GOWDA,
Sub-Division Officer and
243 Ex-officio *Project Executive Officer.*

OFFICE OF THE DISTRICT HEALTH OFFICER, HASSAN.

OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, 'ASIATIC' BUILDINGS, KEMPE-GOWDA ROAD, BANGALORE-9.

Dated 31st October 1956.

To

Messrs. 1. Ajanta Metal Works (I) Regd., Rangamahal, Aligarh, (U.P.).

2. Hari Shankar Sharma, Naurangabad, Aligarh, (U.P.).

Local Indent No. 16708.

Sub.—Supply of Locks to the Mysore Government Departments for the year ending with 30th October 1957.

Gentlemen,

No. S.P.C. 52389. I write to state that the Stores Purchase Committee have accepted your quotation in respect of the Locks described in the undermentioned schedule, required for Government Departments at the rates given therein.

Please enter order for the Locks and arrange to supply the same on indents from the Officers of the Government Departments in such numbers as may be required by them from time to time, all such indents being complied with within a fortnight from the date of receipt.

The Stores Purchase Committee do not bind themselves to purchase any particular number of Locks. The contract shall be deemed to be limited to such number as may be actually drawn during the year.

The contract will be in force for a period of one year from 1st November 1956 to 30th October 1957 and during this period the prices accepted herein should hold good. No application for enhancement of the rates during the period of contract due to any reason whatsoever, will be considered.

Please note that the supplies should conform exactly to the samples sent by you and accepted by the Committee in all respects as to quality, weight, finish, etc. Locks which do not conform to the above conditions or are otherwise unsound will be rejected at your expense and you will be required to replace them free of cost by correct ones.

Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

1. Cancellation of the indent or order in part or in whole.
2. Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President of the Stores Purchase Committee.
3. Forfeiture or adjustment of Earnest Money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee, and
4. Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter of otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

You should now arrange to enter into an agreement with the undersigned on a Mysore Government Stamp Paper of the value of one rupee and annas eight only undertaking to abide by the conditions of this order and deposit a sum of Rs. 100 (Rupees one hundred only) as a security for the due fulfilment of the contract within a week from this date, failing which the order will be cancelled. A draft agreement form is enclosed.

The bills of cost together with the railway receipt should be sent in triplicate to the respective indenting officers for arranging payment and not to this office.

Locks should generally be despatched by goods trains only and for any reason, if they have to be despatched by passenger train, you should obtain prior approval of the indenting officers for doing so. In such an event, the indenting officers will bear the passenger train freight in full if the term of delivery is F.O.R. Aligarh and the difference in freight between the passenger and goods trains if it is F.O.R. destination.

Please acknowledge receipt of this order. The above local indent number should be quoted in all correspondence relating to this order.

I. SCHEDULE OF ORDER.

Placed with M/s. Ajanta Metal Works (I) Ltd., Regd., Rangamahal, Aligarh (U.P.)

Bangalore-2.

L. I. No. 16772—*Enquiry No.* 15096.

Sub. :—Your tender for the supply of Metallic Tapes and Refills required for the Mysore Government Departments during 1956-57.

Gentlemen,

No. S.P.C. 56030. I write to request you to be so good as to enter order for the materials described in the undermentioned schedule at the prices specified therein and arrange to make supplies on indents from such of the Departmental Officers as may require the materials and in such quantities as may be required by them, from time to time, all indents being complied with within a fortnight from the date of receipt.

This contract will be deemed to be limited to the quantities to be actually drawn by the departments.

This contract will be in force for one year from 29th November 1956 and the materials will have to be supplied throughout the said period at the said prices accepted herein and no enhancement of the prices for whatsoever reasons can be granted, during the period of contract.

Please note that the materials to be supplied should strictly conform to the specification given in the schedule and samples submitted by you and accepted by us, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection.

Withdrawal from the quotation after it is accepted or failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

1. Cancellation of the indent or order in part or in whole.

2. Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

3. Forfeiture or adjustment of Earnest Money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee, and

4. Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

The bills of cost should be sent in duplicate to the Indenting Officers, who will arrange payment.

You should now arrange to enter into an agreement and deposit an amount of Rs. 100 as security for the due fulfilment of the contract within two weeks from the date of receipt of this order failing which the order will be cancelled. The agreement should be executed on Mysore Government Stamp Paper of the value of Re. 1-8-0. The security deposit should be credited to the personal deposit account in the Reserve Bank of India, Bangalore and the triplicate copy of the challan should be sent to us for reference and return.

Please acknowledge receipt of this contract. The above indent number should be quoted in all correspondence relating to this order.

Dated 17th November 1956.

To

The firms dealing in construction of Police Vans.

Enquiry No. 15293.

Sub:—Construction of Police Vans—Police Department.

Gentlemen,

No. S.P.C. 55537-566. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for construction of Police Vans—Police Department**" with the above enquiry number.

This enquiry will be closed on the 30th November 1956.

SCHEDULE.

Specifications for building Police Van bodies on three chassis of about 168" wheel base.

GENERAL.

The van body shall be of composite type having steel frame and timber fillets and floor boards and M. S. Sheets panels both inside and outside. There shall be a full door with dropsite glass shutters on either side of the driver's cab. The driver's seat should be extended to the full length.

The special features are—

1. A crosswise seat to accommodate 5 persons behind the driver's seat with a door from the left side.
2. Under the driver's seat tool box to be provided with good locking arrangements.
3. Two longitudinal seats, foldable in the body. Gun racks to be fitted under the seats to accommodate 6 guns in each rack.
4. Expanded metal fixed shutters for the windows on either side and the rear door shutters. Gun hole to all the windows and doors in the expanded metal.
5. Foldable and detachable stone guards for the windscreen for cave glassed shutters, for front head lights, etc.

Dimensions.—

Overall length of the body ...	15 ft. 6 inches
Total width ...	7 ft. approximate
Internal height ...	5 ft. 8 inches

Constructions.—

The cross bearers should be fabricated out of 2"×2" M. S. angle fitted with venteak inserts and the roof sticks to be of 1½"×1½"×1/8" MS. Angles fitted with steel fillets to enable shaping and panelling. The entire body frame should be bolted and welded wherever necessary and painted with anticorrosive paint.

Flooring.—

Teakwood planks of 1" thick to be screwed down to the crossbearer fillets and covered with bitumanaistic felt to make it. Dust proof metal sheeting to be put for floor.

Panelling.—

Exterior panelling is to be of 20 G.M.S. sheet nailed to timber fillets and with suitable mouldings at the joints.

Driver's compartment.—

This is to be built integral with the body. A composite partition to be provided to the full height with expanded metal. The driver's and the five seats behind should be provided with comfortable cushions.

Doors.—

Full doors on either side of the Driver's cab are to have windows having triplex glass shutters operated by winding regulators and fixed on stout iron hinges at the front with slam locks and chromium plated door handles. Rubber buffer guides to be provided to prevent rattling. One door to the left of the five seats behind driver's seat and two rear doors with fixed expanded metal windows with gun holes to be provided.

Windows.—

The windows are to have expanded metal shutters of sufficient reinforced for rigidity. Rain shield and water channel shall be provided over the windows.

Roof.—

The centre of the roof will be of teakwood plank 1/2" or 5/8" thick There shall be bitumanistic treated felt over the timber ceiling and covered with G.I. sheets to make the top leak proof. Ladder and luggage carrier to be provided.

Side curtains.—

Water proof roll up khaki canvas curtains shall be provided for a the windows with necessary leather straps and turn buttons.

Fittings.—

1. A locker at the near side below the floor level.
2. A holding rod in the interior of the body with 6 leather straps for holding.
3. Two longitudinal seats foldable in the rear compartment with cushions.
4. One folding step at the rear.
5. Petrol tank to be suitably covered by mesh.
6. Two lights to be provided in the body.

Paintings.—

All steel works are to have a coat of anti corrosive paint. The vehicle should be painted with primer puttyed up and filler and given two coats of blue colour synthetic enamel. The interiror should be painted with light blue colour.

Lettering.—

Letters 'MYSORE STATE POLICE' to be carved on the head of the vehicle and the State emblem on the sides.

Miscellaneous.—

A rough sketch to be furnished with quotations and the direction obtained from the Inspector-General of Police at the time of delivery of the chassis for further instructions in respect of shape of body and other details.

N.B.—(1) An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore to the Personal Deposit Account of the Secretary, Stores Purchase Committee and the fact noted in the tender.
(2) A blue print should accompany the quotation.
(3) The period of guarantee of construction should be stated specifically.
(4) Transport charges, if any, should be stated separately.

The Firms dealing in Pumpsets

Enquiry No. 15301.

Pumpsets for use in Nagamangala Water Supply.

Gentlemen,

No. S.P.C. 55644-73. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for the supply of Pumpsets for use in Nagamangala Water Supply**" with above enquiry number.

This enquiry will be closed on the 13th December 1956.

SCHEDULE.

	Qnty.	Price quoted F.O.R.	Time of delivery.
The pump and motor described below shall be mounted on a common C.I. bed plate and connected by means of Flexible coupling :—	2 Nos.	Mandya	Immediately

1 Pump : —Capacity—150 gins. per minute of fairly pure water with a residual chlorine of 1 p.p.m. against a total head of 110 ft. from all causes.
Type Casting.—Horizontal spindle, horizontally split on the shaft centre line will be preferred.
Impellers—To be of true phosphor bronze.

2 Motor type—Squirrel cage induction motor, totally enclosed, drip proof and tropically insulated.
Horse power—1 ⅓ (approximately) R. P. M. 1440.
Power supply available—400 to 440 V. 50 cycles, 3 phase A.C. Power.

3 Spares for each set.—

Pump—1	2	One set of rotating elements for the above pump. Do bearings for the above pump.
Motor—1	2	One set of stator coil with slot insulation. Do bearings for the motor.

4 Accessories—

Motor—1		Foot valve with strainer suitable for suction.
	2	Non-return valve.
	3	Pressure and vacuum gauges.
	4	One set of spanners to overhaul pump and motor.
Motor—1		Autotransformer type starter for the above motor.
	2	Ammeter and voltmeter suitable for the above.

N.B.—The intending tenderer should remit an earnest money of Rs. 100 in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and note the number and date of the challan in the tender.

The firms dealing in Filters.

Enquiry No. 15307.

Supply of Hard Wash Gravity Filters for use in T.-Narasipur Water Supply Works.

Gentlemen,

No. S.P.C. 56985-57014. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions in the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for the supply of Hard Wash Gravity Filters for use in T.-Narasipur Water Supply Works**" with the above enquiry number.

This enquiry will be closed on the 21st December 1956.

SCHEDULE.

1 Specification for hard wash gravity filters Alum feed plant and Chlorinator.—

Filters—Capacity :—16,000 gallons per hour.

Type—Hard Wash Gravity.

The filter shell shall consist of a masonry shell 90r R.C.C. of about 12'×7' and shall be constructed departmentally. The pipe gallery will be parallel to the 12' side.

The following fittings will have to be supplied by the tenderer.

(a) Under drain system.—The under drain system shall consist of a central manifold and a set of non-corrodable laterals having a series of carefully ganged orifices or brass demountable strainers at suitable pitch.

(b) Fillering media—Around the above lateral pipes shall be carefully selected and graded gravel for sufficient depth and above this main filter bed carefully graded filter sand of requisite thickness.

(c) Wash device—Immediately above the sand bed shall be some wash device preferably obviating the necessity of gullet or drain compartment at one end of the filter.

(d) Valves.—The filter shall be equipped with valves of 1st class make operated through extension rods, head stocks and hand wheel. Each valve shall have a chromium plated dial giving the function of the valve and the direction of opening.

(e) Control gear The control gear shall comprise of one effluent rate of flow controller capable of adjustment from 25 per cent flow to 25 per cent overload.

(f) Wash indicator—There shall also be the standard rate of flow gauge to indicate when the filter requires washing and also a rate of flow monometer of a substantial type to indicate the out-put from the filter in gallons per hour.

(g) The equipment shall be complete with all necessary "B" class standard make cast iron pipes and jointing materials to be shown on the drawing furnished by the tenderer. Accessories comprising of hand rails, C.I. stanchions, M.S. Ladder with C.I. treads and sufficient quantity of paint to give the coats to all the fittings shall also be supplied.

N.B.—A clear water sump of about an hour's capacity and a wash water tank of 30,000 gallons capacity on 35 ft. staging shall be constructed by the department by the side of the filter house.

(h) Alum Dosage Flume—Masonry or R.C.C. tanks for preparing the Alum solutions shall be constructed by the department.

(i) The tenderer shall supply necessary outlet pipes of lead with hard rubber pipes and valves leading to a suitable rate of flow device, etc. The tender should also include all necessary hard rubber pipings and gauge boards showing the depth of solutions in the tanks, etc.

Chlorinator.—A panel mounted chlorinator suitable for the above rate of flow shall also be supplied by the tenderer. Vacuum or solution feed type may be quoted maximum dosage being I. P.P.M

Tender drawings.—Each tender shall be accompanied by detailed specifications, designs and drawings for all the items.

Delivery.—F.O.R. destination. T.-Narasipur-Mysore Railway Station.

Quantity—2 Units.

N.B.—The intending tenderer should remit the earnest money of Rs. 100 in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and note the number and date of the Challan in the tender.

Dated 20th November 1956.

To

The Firms dealing in tractors and trailers.

Enquiry No. 15333.

Subject :—Supply of Semi-Tractors and Trailers and alternative Trailer-Tractors to Electrical Department.

Gentlemen,

No. S.P.C. 57741-790. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the Schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for Semi-Tractors and Trailers for Electrical Department**" with the above enquiry number.

This enquiry will be closed on the 31st December 1956.

Specifications for Semi-Trailer-Tractors and Alternative Trailer Tractors.

1. (a) 15-Ton-Semi Trailer-Tractor equipment (Diesel) are required for carrying steel and Wooden poles and rails of lengths varying from 26 ft. to 36 ft. These should be low loading built carriers to handle a 15-ton pay load, the poles to be carried will be R C C. solid and hollow poles or spun poles, S.M. rails, wooden poles, 'I' Beams, long be varying from 24 ft. to 36 ft. The trailer should have a crane of 3-ton capacity hand operated to facilitate easy loading and unloading of poles, if possible.

The Trailer should have independent and effective brake system to be operated from the driver's cab of the tractor. Invariably itemised prices for the trailer as also for the tractor should be furnished.

The following particulars should be furnished along with the quotation :—

(1) Make and capacity of Semi-Trailer-Tractor.
(2) Seating arrangements for driver and cleaner.
(3) Breaking arrangements.
(4) Speed of Tractor
(5) Size of Wheels, Tyres.
(6) Height of platform, overall length, etc.
(7) Details of the devices proposed to be supplied for loading and unloading.
(8) Full dimensions of the trailer as also the tractor.
(9) Type of Springs used and load distribution of the trailer.

(b) Alternative quotations may be furnished for Trailer-Tractors of the same load capacity.

2. (a) Semi-Trailer-Tractor Diesel operated as detailed in item 1 (a) of 25-ton pay load capacity. This Trailer is meant for carrying poles of lengths specified above and also should be suitable for carrying concentrated loads like power transformers, etc., and as such a shorter trailer with double drop deck, i.e., goose neck on either side with a well in the centre is preferable and should be of a fairly heavy type Hence tenderers may offer a trailer for the above requirements. All the other details, information required under item 1 may be furnished in this case as well.

(b) Alternative quotations for Trailer-Tractor of 25-ton pay load capacity.

SCHEDULE.

Dated 20th November 1956.

To

The Firms dealing in Pump Sets.

Enquiry No. 15334.

Supply of Low Lift Pumpset for use in T.-Narasipur Town Water Supply Works.

Gentlemen,

No. S.P.C. 57681-710. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for the supply of Low Lift Pumpset for use in T.-Narasipur Town Water Supply Works**", with the above enquiry number.

This enquiry will be closed on the 20th December 1956.

SCHEDULE.

I. Specifications for a Low Lift Pumping Set and Motor :—

Proposal—

The source of water supply to T.-Narasipur Town is the River Kapini.

A suction well will be sunk to a depth of about 30' near the river bank. The difference in level between the flood level and low water level of the river is about 25' water from the suction well will be lifted by means of low lift pumps and delivered on to the head works.

It is proposed to instal the pumping unit within the suction well itself. The motor shall be located above the high flood level and the pump will have to be located within the suction well so as to allow for submergence.

1 Pump—Capacity—270 gallons of turbid water per minute against a total head of 70 to 90 ft. from all causes.

Type—Either vertical type with the pump about 23ft. below motor level or deep well turbine pump.

Impellers—to be of true phosphor bronze.

2 Motor Type—Squirrel cage induction motor, totally enclosed, drip proof and tropically insulated.

Horse Power—19 H.P.

Power supply available—400-440 volts, 50 cycs. 3 ph. AC.

3 Spares per set—Pumps.

(1) One set of rotating element for above pump.
(2) One set of bearings for the above pump.

Motor—

(1) One set of starter coil with slot insulation.
(2) One set of bearing for the motor.

1 Accessories—Pump.—
(1) Foot valve with strainer suitable for suction.
(2) Non-return valve.
(3) Pressure and vacuum gauges.
(4) One set of spanner to overhaul the pump and motor.
Motor—(1) Star-delta type starter for the above motor.
(2) Ammeter and voltmeter suitable for the above motor.
Delivery—Mysore Railway Station.
Quantity required—2 Units.

N.B.—The intending tenderer should remit an earnest money of Rs. 100 in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and note the number and date of the challan in the tender.

To

The Firms dealing in Water Meters.

Enquiry No. 15338.

Subject :—Water Meters for use in K.G.F. Sanitary Board.

Gentlemen,

No. S.P.C. 58362-420. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions noted below.

The quotations should be sent in duplicate and in sealed covers duly superscribed "**Quotations for Water Meters for use in K.G.F. Sanitary Board**" with the above enquiry number.

This enquiry will be closed on the 17th December 1956.

SCHEDULE.

	For free delivery at K.G.F. Nos. 160
1 1/2" water meters with tail pieces, washers, strainers complete with rotary or semi-rotary water meter to be installed on horizontal pipe carrying portable chlorinated water meter to be of inferential type preferably with straight dial reading.	
Materials of construction.—	
Body cover, cap, index door, tail pieces and coupling bolts to be of nichol alloy. Strainer plate on the inlet side to be of copper, paddle should be of vulcanite.	
Sealing: Holes should be provided for in the index door body coupling bolts for passing wire for sealing purposes.	
Make: BELGIUM (or any other good make)	
Packing: Original	

N.B.—1 While intimating the rate, it may be specifically stated whether the rate includes the sales-tax, insurance charges and railway freight and such other incidental charges as may be necessary.

2 An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit account of the Secretary, Stores Purchase Committee, Bangalore and the fact noted in the tender.

Conditions applicable to all the above enquiries.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 8 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance, or non-supply, in time or regularly, or supplying material which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(i) Cancellation of the indent or order in part or in whole.

(ii) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(iii) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(iv) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that, if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the Enquiry.

Note:—These conditions hold good for all the above enquiries of this office.

248

Brief Notification.

The attention of the public is invited to the Notification calling for tenders for the work of converting the Victory Hall into Fine Arts Museum at Bangalore, published in the *Mysore Gazette*, Part VI, page Nos. 2786-87, dated 22nd November 1956.

The last date for receipt of tenders is up to 3 P.M. on 10th December 1956.

The earnest money is Rs. 1,985.

250

Notification dated 21st November 1956.

Tenders will be received in the Office of the Executive Engineer, Buildings Division, Bangalore, up to 3 P.M. on 14th December 1956, for the following work :—

Name of work	Amount of estimate	Earnest money
	Rs.	Rs.
Providing Additional Accommodation to Cleveland Town Police Station, Civil Area, Bangalore.	9,770	453

1. Each tender must be accompanied by a duplicate challan for having deposited the earnest money noted against the work into the Reserve Bank of India, Bangalore, to the credit of "P. W. Deposits—2. Advances, Revenue Deposits" in default of which the tender will be rejected.

2. Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

3. Copies of the contract documents, schedules and drawings may be seen at the Office of the Executive Engineer, Buildings Division, Bangalore, on all working days between 11 A.M. and 5 P.M.

4. The tenderer need only mention the rates for each item of work of the abstract estimate both in words and in figures, at which he is willing to undertake the work, without which the tender will be rejected. The total cost of each item of work together with the grand total of each work should also be noted in the tender.

5. Tenders submitted in duplicate in other than the prescribed form will be rejected, the prescribed form being available at the Division Office on payment of Re. 0-8-0 per copy.

6. The detailed clauses defining the conditions of the tender can be seen at the Office of the Executive Engineer, Buildings Division, Bangalore.

7. Items not provided for in the estimate will be paid for as per schedule of rates or as per data worked out, if not provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Chief Engineer, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary *mutchalika* on receipt of intimation of acceptance of his tender, failing which, his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within *four months* from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all work bills.

20. The tenderer should produce the Income-tax Clearance Certificate from the Income-tax Commissioner along with the tender without which the tender will not be considered.

21. Sales-tax and Income-tax Clearance Certificates should also be enclosed along with the tender in the prescribed form as per Government Order No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

238

Notification dated 22nd November 1956.
